“My four year old daughter got TheraTogs two days ago. The change in her walking is AMAZING. She used to walk with her left foot/leg turned in 45 to 90 degrees. Braces were not stopping this rotation from the hip. But now both of her feet face FORWARD! She looks great! She absolutely loves wearing her ‘super suit.’” — *Daria, mom*

TheraTogs, Inc. • 305 Society Drive, Ste C-3 • Telluride, CO 81435-8935 • www.theratogs.com
